

Hang Week's Wash in a Few Minutes on a Hill Clothes Dryer

Clean Compact

Why continue to fuss with unsightly, ungainly clothes lines and poles when you can get this neat, compact, convenient Hill Dryer. Instead of being spread all over the yard and supported by numerous poles, every inch of every line on the Hill Dryer is within easy reach—so you can hang the whole wash without moving a step, without having to drag the heavy basket up and put down the yard through snow or damp grass.

Let us put one up in your yard ready for next wash-day. Or call and see it.

Capacious Convenient

Set up a Hill Dryer in a convenient spot near the house and see how many steps, how much time, work and bother it saves. Once used it and no one could ever coax you back to the old-fashioned clothesline method. Hill Dryers are made in several sizes and styles for lawn, balcony and roof. Hold 100 to 150 feet of line—revolve so line comes to you—taken apart, folded up and put away, keeping your lawn entirely clear of obstructions.

Y. M. C. A. BOYS TO ROUGH IT ON MAUI TRIP

First Detachment Leaves on Claudine with C. F. Loomis in Charge

Eleven boys in care of C. F. Loomis, who is in charge of the boys' work at the Y. M. C. A., will leave in the steamer Claudine for Maui, where they will spend four weeks in camping and roughing it.

The boys, who are all members of the boys' department at the Y. M. C. A., are the first detachment of about forty who intend to make the trip to Maui, whence they will not return until August 6. Loomis will return next week, but will go over to Maui from time to time in the course of the camping trip in order to see that things are going all right.

The first camp will be pitched on the slopes of Haleakala, and the boys will make the ascent to the rim of the crater of the largest extinct volcano in the world. This will be the first of a series of trips to be taken on the island, most of them to be of days' duration.

During these pedestrian trips the boys will load their traps on the backs of pack mules and will make their trips in true backwoods fashion, cooking their own meals, and sleeping on blankets out in the open air.

The following boys will leave this afternoon: DeWitt Alexander, Herman Alexander, Donald Higgins, Fred Peterson, David Withington, Jere Smith, Auley Macaulay, Howard Johnson, Harold Harvey, Bertrian Alken, Walter Murdoch.
